RE-ELECT NICK DRALE

MAYOR OF TORRANCE
"ELECT A MAYOR YOU CAN TALK TO"

NICK DRALE Says:

Here are the things I believe, profess, and live by —

- I believe the conduct of the business of the City of Torrance is a public trust, not a private enterprise for personal gain.
- I believe the Mayor represents all of the people of Torrance, not special groups, or the selfish few.
- I believe in efficient, effective, thrifty government for Torrance with maximum production and functioning of all of the City's departments.
- I believe in open meetings of all business conducted by the City of Torrance — with decisions openly arrived at.
- I believe in tailoring Torrance's tax-dollars to fit its income and needs — and in order of community importance.
- I believe Torrance must live within its budget — with full value returned for every Taxpayer's dollar expended.
- I believe in public participation, discussion and review of Torrance's Budget.
- I believe that costly aids and services should be held to a minimum; that enlightened, but economical planning, shall determine the allocation and spending of our tax-dollars for specific purposes — but spelled-out in detail, not generalized.
- I believe that good Public and Human Relations must prevail with all segments and persons of our community — for Torrance is an unique and diversified community — combining business, industry and a large, spreading residential population.
- I believe what is best for Torrance is best for our people — but not for political henchmen.
- I believe good public service is marked by Performance, not by personal publicity and self-aggrandizement — for honesty of purpose must parallel efficient and effective government.

And — it is my humble belief that a man who has grown-up in the hard, rough work of the mills and the shops, who later prepared himself for business life and transferred his interests to business life, and was then trained in public service for a decade by the voters of his community — is adequately equipped and prepared to serve the people of Torrance as its Mayor — with honesty, integrity and distinction.

I am confident the voters will give my candidacy the kind of consideration and support that will permit me to serve as their Mayor — the occupant — for the first time — to be elected by a direct vote of the people of Torrance.

North High Golf Squad Clobbers El Rancho Dons

North High's varsity golf squad made mince meat out of El Rancho High of Whittier Monday when the Saxon entry scored 44 points to the visitors' one on the Alondra Park course.

The win made it three in a row for the title hungry Northerners, who stand a good chance to cop the Pioneer League championship. Only Beverly Hills, according to Coach Dick Winn, can be counted upon to provided stiff competition. Morningside's golf team may turn out to be a dark horse, though, Winn added.

In spelling out El Rancho's defeat Monday, Steve Crowell shot a one over 37, for the lowest score.

The Saxons will be out to make it four in a row Monday, when they meet another Whittier School—California High—on the Alondra greens, 2:30 p.m.

Golf Tourney Scheduled at Local Course

The first tournament of the Sea-Aire teenage golf club, sponsored by the Torrance recreation department, will be held Saturday and Monday at the Sea-Aire, 9-hole course. Preliminaries begin 8 a.m., Saturday morning with the semi-finals and finals on Monday.

The club is composed of pupils who receive weekly instruction in the fine points of the game from Coach Bill Wood of North High School. Floyd Lessor, president of the club, announced that newcomers are always welcome on Saturday mornings at 8 to 9 a.m. for a round of golf and from 9 a.m. to 11 a.m. when regular lessons are conducted.

Those interested teenagers, which includes 12 year olds through high school, should contact the recreation department at 3031 Torrance Blvd. for further information.

Tartars Humiliated By Narbonne, 15-3

After rolling over and playing dead for Narbonne High Tuesday, Torrance's varsity baseball contingent tries to get back on the victory trail tomorrow when Serra High invades Torrance Park at 3 p.m. in the final non-league practice game for the year for THS.

The Tartars will be out to better their 2-2 standing after Tuesday's humiliating 15-3 clobbering they suffered at the hands of cross-town rival Narbonne.

In racking up win number two the Guachos banged out 16 hits, including 2 home runs, off four Tartar pitchers.

Ronnie Veres was tagged with the loss after hurling 3 innings. Larry Rose followed, giving way to Pat Stewart, who in turn gave way to Ronnie Moore.

The victors' biggest inning came in the fourth frame when the big Gaucho bats exploded for 9 runs, as both over-the-fencers were walloped during the merry go round bat parade.

Bill Baldwin, Narbonne's winning pitcher, led the winners' at the plate with 4 hits in five times at bat. On the mound, he allowed all three of Torrance's runs before retiring to an infield position in favor of a relief hurler.

Midget Racing Planned At L.A. Speedway Oval

The United Racing Assn. will kick off its 1958 midget racing season Sunday at the Los Angeles Speedway, 182nd and S. Vermont Ave. on the full 1/2 mile clay surface, with time trials at 1 p.m. and the first race at 2 p.m.

This will be the midgets only Sunday afternoon race on the 1/2 mile track before they start their weekly night racing season in April.

ing nine drew first blood, scoring three times in the initial stanza, as a streak of wildness by Baldwin that loaded the sacks on two walks and hit batsman preceded a booming triple off the bat of Gene Crenshaw.

The silent Tartar bats collected only five hits during the donnybrook.

Scheduled to see mound duty tomorrow for the Tartars is Paul Noir, who has been sidelined recently with arm trouble.

Bay League play gets under way next week with Redonda.
